

The Town of Rosetown will be disconnecting the coin box on the bulk water truck fill at the Water Treatment Plant, on November 1, 2021.

The electronic Fob System, which was introduced in February 2021, will be the only option for purchasing bulk water after this date.

Please stop in at the Town Office to register for a fob.
Detailed instructions are available upon registration.

After each fill the details of amount of water and cost is sent via email or text, for your records. An invoice is sent out at the end of each month.

There is a \$25.00 non-refundable charge per fob.

If you have any questions or concerns please contact the Town Office at 306-882-2214 or by email at townofrosetown@sasktel.net
