

## AG Drone School

Rosetown Civic Centre 1005 Main Street

October 28 – 29, 2021

8:00 am to 4:30 pm

A two-day learning event enabling farmers, ranchers and agronomists to use drones effectively. Suitable for complete beginners, successful participants will leave with their Basic Certificate from Transport Canada and be able to effectively map fields or pastures autonomously.

Lunch and all necessary supplies (including access to our whole fleet of drones) is provided.

Registration is limited to 30 people; pre-registration is required.

Event contact person is Markus Weber at LandView Drones
